

NDSAC welcome letter to junior students and their families.

Welcome to North Dorset Sub-Aqua Club!

We want to do all we can to make your training and time with the club as interesting and comfortable as possible so here is some of the information which will help you to find your way around the club.

The BSAC Instructors who will be working with you are:

Julie Carter: julesk11@hotmail.co.uk (07905945324)

Instructors and assistant instructors all have relevant BSAC Instructor qualifications and have or are in the process of obtaining Enhanced Disclosure and Barring Service (DBS) Clearance.

Pool training will take place:

Tuesday evenings, ready and in the water at 8 p.m. This is both a training time and a time for club members to swim and check items of kit. There are separate male and female changing facilities. Please ensure that your child is accompanied into the changing rooms by a designated club member if you are not accompanying them yourself. We need to be out of the pool and ready to leave by 9 p.m. Theory and Open Water training will be at venues announced by the instructors.

If a parent will not be present at either pool, theory or open water training an Appointment to Act in Loco Parentis form will be needed. Please ask an instructor or Welfare Officer for the form so that we can have this in place before training begins.
